MEETING NOTES:

Secretary's Report: Minutes from the last meeting have been submitted.

Treasurer's report: \$1351.70 is in the checking account.

Old Business:

Exhibits:

Aullwood: 2018 Aullwood has been canceled. The 2019 exhibit will be themed "The Deep: Color & Pattern". Exhibit dates are September 7th through November 5th; closing for the weekend of Aullwood Applefest. Hanging will take place after Labor Day, due date and take down dates have not been determined, there should be a MVAQN Member's Wall like we have had in the past.

Troy-Hayner: 17 members will be participating, Carroll has requested all registration forms and information be to her by the 1st of November. Molinda will be collecting quilts at the November meeting; those will be delivered November 4th. If you are delivering your work yourself then it needs to be taken to Troy-Hayner on November 5th or 6th. Troy-Hayner has a receipt form that must accompany the art.

19th Amendment: We need a title for the exhibit, it was suggested that the word "Suffergist(s)" should be incorporated into the title. If you haven't already done so, please send Carroll a photo of your quilt.

Carroll has a meeting with UD on October 24th and the Troy-Hayner Historical Society is interested in possibly hosting the exhibit August 2019*.

Yellow Springs: We need to finalize the title for the 19 Amendment exhibit at Yellow Springs which will take place in August 2019*. Chris Z handed out YSAC Group Show Terms of Agreement that need to be filled out by participants and returned to her.

*(I know this seems to be double booking the exhibit but it is what I wrote in my notes. It is entirely possible I made a mistake.)

New Business:

For those of you who became members of the Yellow Springs Art Council the Member's Show theme is "Time". (<https://www.ysartscouncil.org/>)

Tuesday Study Group: Tuesday, November 6th, 6:30 to 8:30 pm, Dayton Metro Library, downtown Dayton

Check It Out:

TIP: When working with hot stuff like we did today with the Tyvek, it is a good idea to have an alovera plant close by to apply to a burn if needed.
