

TOPIC: “From Paper to Fabric use internationally inspired paper-cutting techniques to create quilt art” from Quilting Arts Magazine Issue 102, page 72-75.

Please bring the following supplies:

Quilting Arts Magazine Issue 102 December 2019/January 2020 (if you own it)

Pencil

Scissors for paper and fabric

3-4 binder or quilting clips

2 Contrasting fabrics for foreground and background - the article shows mainly solids or a monotone print. We will be adding embroidery details as well so perhaps this is the best choice for fabrics.

    Foreground fabric 12” square with fusible web on the back

    Background fabric 13” square

Contrasting Embroidery floss colors and needles

Show and Tell including last month’s fish!

I will bring an iron and board as well as the paper to cut our shapes.
