

Supplies: Study Group, Jan 7, 2020

Ann Diller will be presenting the following:

Jan. 7 Study Group

Subject: Freeform Fabric Collage

main influence: April/May 2010 Quilting Arts p. 32-37

Materials:

1. I will bring an enlarged photocopy of the fish from the article for those that would like to use it. Alternately you could bring your own line drawing (no larger than 10") of an animal.
2. muslin 14 x 18" OR 9 x 11" Steam-A-Seam (I prefer Steam-A-Seam)
3. pencil and fine tipped marker
4. variety of fabric scraps in a color range for your animal (fish or other) to use and share
5. pins
6. water-based fabric or craft glue or glue stick
7. scissors for paper and fabric
8. pictures of collages you like

I will bring an iron, board, patterns, copies of directions and freezer paper. We could use another iron and small board or ironing mat. Note: we will not have time to piece the background.
