Discussion regarding the 19th Amendment project in Yellow Springs.

There might be conflicting dates with the University of Dayton. ChrisZ will finalize dates with Yellow Springs so Carroll can finalize dates with UD.

Ronnie moved that MVAQN treasury subsidize membership in the Yellow Springs Arts Council.
ChrisZ seconded, motion passed.

The treasury will also pay \$30 required by YSAC for the reception.

ChrisZ is planning a Sunday program with the Yellow Springs Historical Society in conjunction with the 19th Amendment exhibit. Date to be determined.

Please take Tracy Craven off all mailing lists.
